Dear Heather

I just wanted to drop you a short line to thank you very much for two great days of training last week. Having not seen the system before I learnt so much and have come away with a far greater knowledge of Compels capabilities. I know that Compel is going to play a massive part in the development of our new HR department.

Thank you once again for an impressive and professional training course.

look forward to seeing you again at 'Report Writing'.

Yours sincerely
