Dear Martin

**ADRIAN MOLLOY**  
Project Manager

I am writing to tell you how pleased we are with the service from Adrian who has been with us this week to get our COMPEL database up and running.

Adrian has worked with us to ensure that the data has transferred from our existing database to COMPEL and the transfer has gone very well. There will no doubt be a few things to be sorted out and improved on, and Steve Townley is booked to come and help us in a couple of weeks time.

We appreciated Adrian's help and patience and would be pleased if you could pass on our thanks.

Yours sincerely
