Dear Stella,

Please find enclosed my feedback sheet for the Training Manager Windows Familiarisation v2 course I attended on 11 and 12 June 1997.

Please accept my apologies for the delay in returning this information to you - I have been involved in an office move recently, and have only just sorted out my paperwork.

I would like to take this opportunity to tell you how much I enjoyed the course, and I'm sure you'll be pleased to know that I have been using Compel nearly every day since attending training.

Thanks very much for your help during the training, and I look forward to seeing you again, should the need arise for further training.

Yours sincerely
